Leader Discussion Notes

Depending on the progress made in the prior session on personal testimony, the catchup sharing may be brief or more lengthy. Please allow each man to have the opportunity to share (initially or a second time) his testimony. This group is the best place to practice sharing the Good News.

Questions and Discussions

This portion of the meeting is where a man can ask about or discuss any outstanding issues they may have relative to the 12 Steps, the program, etc. Do NOT assume the burden of thinking you must be able to fully answer every question or comment. You may have some great ideas on the tip of your tongue, or you may wish to tell that man that you are willing to work with him to find an appropriate response.

Next Steps for each man

The primary purpose of this section of the meeting is to prompt each man to both consider his Step 12 calling and to share his current plans for action.
